Ejercicio 2

Ejercicio 3

Ejercicio 4

Ejercicio 5

Ejercicio 6

The screenshot shows a mobile application interface on an Oracle device. The title bar is blue and labeled 'ChoicGroup'. Below it, there is a text input field for 'Nombre:' containing the text 'Emiliano'. Underneath is a 'Sexo:' section with two radio buttons: 'Masculino' (selected) and 'Femenino'. Below that is a 'Lenguajes:' section with four checkboxes: 'Java', 'C++', 'Prolog' (selected), and 'Otros...'. At the bottom of the form is a 'Salir' button.

Ejercicio 7

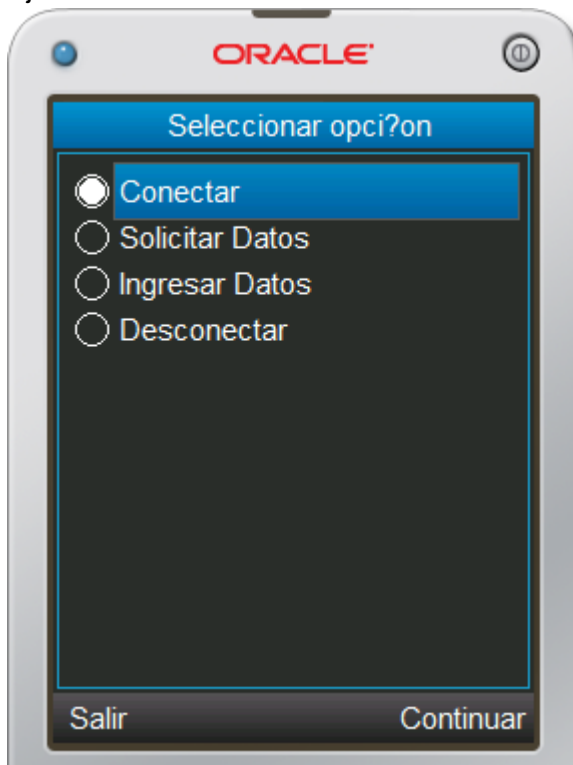

The first screenshot shows the 'Ejemplo Alert' form. It has a title bar labeled 'Ejemplo Alert'. The 'Titulo:' field contains 'Hola'. Below it is a text area containing 'Esto es una alerta'. The 'Seleccionar tipo:' section has five radio buttons: 'ALARM', 'CONFIRMATION', 'ERROR', 'INFO' (selected), and 'WARNING'. The 'Tiempo:' section has a radio button for 'Forever'. At the bottom are 'Salir' and 'Continuar' buttons.

The second screenshot shows the alert dialog that appears when the form is submitted. It has a blue header bar with an information icon and the text 'Hola'. Below the header is the text 'Esto es una alerta'. At the bottom is a 'Done' button.
